PREAMBLE

Whereas, the Board of Trustees of the Maine Community College System (hereinafter referred to as "MCCS") and the Maine State Employees Association-SEIU Local 1989 (hereinafter referred to as "MSEA") desire to establish a constructive, cooperative and harmonious relationship; to avoid any interruption or interference with the operations of the employer; to promote effective service and quality of work life towards the accomplishment of the missions of the MCCS; and to establish an equitable and peaceful procedure for the resolution of differences.

The Trustees and MSEA join in promoting a safe, healthy environment for students, adjuncts and general public.

It shall be the goal of both parties to maintain an atmosphere where students receive the highest quality education and to create an environment where adjunct faculty are treated with respect and afforded the necessary tools and support to thrive as professional educators. It shall be the mission of both the union and MCCS to provide all Maine's citizens access to a better future through the opportunity of higher education.

ARTICLE I: UNION RECOGNITION

Pursuant to the Maine Labor Relations Board certifications dated May 3, 2010 the Trustees recognize the Maine State Employees Association of Service Employees International Union, Local 1989 (MSEASEIU) as the sole and exclusive representative for the purpose of representation and negotiations with respect to wages, hours of work and other conditions of employment for the Adjunct Faculty Bargaining Unit (Adjuncts).

In the event of a dispute between the Parties as to future inclusions or exclusions from the unit resulting from the establishment of new or changed classifications or titles, Party to this Agreement may apply to the Maine Labor Relations Board for resolution of the dispute.

ARTICLE 2: ACCESS TO ADJUNCTS

MSEA shall have access to adjuncts covered by this Agreement to carry out its legal responsibilities as a bargaining agent as provided for in this Article. MSEA will be provided with the opportunity to have an information table or similar place to make contact with and provide information to adjunct faculty members at any orientation session that is held for or offered to adjunct faculty members. At least a week prior to these meetings, MSEA will be provided with a list of new adjuncts who are invited to group meetings held for adjunct faculty in the Fall and Spring.

MCCS will make good faith effort to secure location in each college where adjuncts may meet and discuss union matters during lunch and breaks or during non-course contact hours as well as a space to maintain confidential records.

MSEA's representatives will be granted reasonable access to adjuncts during adjuncts'

non-course contact hours for the purpose of investigating and processing grievances and for the purposes of administering this Agreement provided that the representative notifies the appropriate President or his designee in advance. Such access will not disrupt MCCS operations or violate MCCS security procedures. If access needs to be temporarily delayed for special reasons, those reasons shall be explained to the MSEA representative.

Any MSEA representative may have on-campus access to adjuncts for the purpose of explaining MSEA programs and benefits during adjuncts' non-teaching working time, e.g., breaks and lunch periods, provided such access does not interfere with MCCS operations.

Electronic mail capabilities as available to unit members in the course of their work may be used for the purpose of reasonable communication on union matters. In no instance may such union email contain material that is either profane or obscene.

ARTICLE 3: COMPENSATION

1. The term of the contract shall be from January 1, 2023 – December 31, 2024.

2. Adjuncts shall be paid according to Appendix A Salary Schedule. Effective January 1, 2023 the Salary Schedule will be increased by 4.5%. Effective January 1, 2024 the Salary Schedule will be increased by 4.5%. Adjunct Faculty shall be compensated either for credit hour or for instructional hour, whichever is greater.

3. Adjuncts will receive a longevity payment in accordance with Appendix B. These payments are for the fall and spring semesters, respectively. The payment shall appear in the adjunct member's last paycheck of the fall semester and the spring semester in which the longevity payment is earned. Such longevity payment shall not be added to the base credit hour rate and shall not be cumulative. Longevity shall be based on Seniority as defined in Article 31. This longevity payment supersedes, replaces, and terminates any other practice, agreement or payment based on or related to longevity that may have been in effect at any college at any previous time.

4. No adjunct shall be subject to any reduction in pay as a result of this Article. Upon ratification of the contract by both parties, adjuncts who receive above the \$930 base rate established by the 2021-2022 contract shall be paid a lump sum equal to a 3% increase in their current base rate in lieu of the base increase provided in Paragraph 1 of this Article. On January 1, 2024 such adjuncts shall be paid a lump sum on the same terms.

5. Adjuncts are free to seek other employment within MCCS and may continue to teach as an adjunct provided the employee executes an adjunct instructor contract for instruction. That adjunct will continue to be eligible for any longevity payments to which the adjunct is entitled under this Article. If an MCCS employee who works full

time in another bargaining unit performs adjunct work, that employee shall be a member of their full-time unit. Wages for such employees shall be determined by the adjunct contract, but no other terms of the adjunct contract shall apply.

In the event of an opening in the full-time faculty, any adjunct who has taught six credit hours in each of the immediately preceding six (6) semesters (spring and fall) in the called-upon discipline shall, upon application, receive an interview for the full-time position, provided the adjunct has consistently taught in the department in which the hiring is to occur and is qualified for the position.

7. No adjunct may teach more than twelve (12) credit/instructional hours per semester in the System, unless specifically authorized to do so by the President of the College in the President's sole discretion. In making such determination, the President may at his or her sole discretion consider the following items (which list is not intended to be exhaustive): 1.) Labs 2.) Unexpected vacancies 3.) Qualifications. No other credit hour limit may be enforced at any college unless required by law, regulation, or applicable board requirements.

8. In the event the Legislature does not provide an increase of at least 3% in appropriation for operations in any year, MCCS may, after Fiscal year 2023, reopen the contract to address the issue of wages.

ARTICLE 4: COMPLAINTS AND INVESTIGATIONS

1. This Article applies to complaints or allegations made externally, including but not limited to complaints from students or other persons and not from normal supervisory activities.
2. In the case of allegations of misconduct or other complaints against an adjunct, the System President or designee may determine, in his or her discretion, that an investigation of the complaint or allegation is appropriate. Prior to notifying the adjunct, a preliminary investigation may be conducted to evaluate whether the complaint or allegation warrants further investigation. If the determination is made that further investigation is warranted, the adjunct will be notified of the nature of the complaint or allegation.
3. When the adjunct under investigation is to be interviewed, the adjunct and his/her representative shall be notified in writing at least forty-eight (48) hours prior to the interview. In the event of exigent circumstances, the adjunct will be provided such reasonable notice as the circumstances permit. The adjunct will be informed of the subject matter of the interview.

4. Prior to being interviewed the adjunct will be afforded a reasonable opportunity and facilities to contact and consult privately with his/her union representative or union attorney. Such representative or attorney may be present at the interview.
5. Any interview of an adjunct who is the subject of investigation shall be conducted at a reasonable time and, when practicable, when the adjunct is scheduled to work. The interview shall take place at a suitable location and, when practicable, on the MCCS's premises. Confidentiality of the interview will be maintained to the fullest extent feasible. The interview shall be limited to questions which are directly, narrowly, and specifically related to the adjunct's job performance as it relates to the allegations or complaints. The investigation will not be conducted in an intimidating or threatening manner.
6. If an adjunct is to be interviewed as a witness only, the adjunct and his/her representative shall be so informed at least forty-eight (48) hours prior to the interview. If during the course of the interview it becomes apparent that the adjunct may be subject to discipline as a result of conduct which is the subject of the interview, the witness interview shall be terminated and the adjunct afforded the procedures in this Article.
7. No adjunct shall be required or requested to submit to any test or examination in connection with an external complaint. A test or examination may be given if requested by the adjunct.
8. The adjunct shall be informed in writing promptly, but no later than five (5) workdays after the investigation is completed, of any determination(s) made as a result of the investigation.
9. If the result of the investigation is that the allegation or complaint is unsubstantiated, no records pertaining to these allegations shall be put into the adjunct's personnel file.
10. Nothing in this Article shall be construed to affect the right of the Trustees to immediately suspend or dismiss an adjunct when necessary for MCCS operations, security, legal or fiduciary obligations or the welfare of students or other employees. Nothing in this Article creates, expands or modifies a condition of employment that is set out in any other provision of this Agreement.

ARTICLE 5: CONCLUSIONS OF NEGOTIATIONS

This Agreement represents the full and final agreement between the parties on all subjects that are covered by the Agreement and all subjects that were raised or could have been raised in negotiations resulting in this Agreement. Neither party will seek to compel negotiation on any subject that is covered by this Agreement during the term of this Agreement.

ARTICLE 6: CONTRACT ADMINISTRATION

The Parties acknowledge that problems of general administration (as opposed to individual adjunct grievances) may arise during the administration of this Agreement, which may require MCCS and MSEA to meet from time-to-time for the purpose of reviewing the general administration of the Agreement. The Parties agree to so meet within a reasonable time at the request of either party. Unless a problem is of an emergency nature, the party requesting a meeting will submit a written agenda one (1) week in advance of any such meeting.

The president of the other college may remove the adjunct from teaching if there is a demonstrable connection between the circumstances of the suspension or removal for just cause and the adjunct's ability to continue to teach effectively at the other college.

MSEA shall indemnify and hold M CCS harmless against any and all claims, suits, orders or judgments brought or issued against the Trustees as the result of negligence in actions taken or not taken by the Trustees under the provisions of this Article.

ARTICLE 24: NON-DISCRIMINATION

M CCS agrees to continue established policy against all forms of illegal discrimination, including 1) discrimination with regard to actual or perceived race, religion, color, ancestry or national origin, sex, sexual orientation, including gender identity or expression, age, disability, familial status, pregnancy, genetic information, or status as a Vietnam era veteran unless based upon a bona fide occupational qualification; and 2) intimidation or harassment on the basis of actual or perceived race, religion, color, ancestry or national origin, sex, sexual orientation, including gender identity or expression, age, disability, familial status, pregnancy, genetic information, or status as a Vietnam era veteran. The provisions in this Article are in addition to those provided by law, regulation, or statute.

MSEA agrees to support affirmative action programs mandated by law and any other affirmative action programs affecting M CCS, which comply with or are mandated by applicable State and federal laws.

MSEA and M CCS agree that any discrimination, intimidation, or harassment of adjuncts, including sexual harassment in all its various forms, is unacceptable conduct and will not be condoned or tolerated by MSEA or M CCS.

M CCS and MSEA agree that any disputes arising out of the provisions of this Article may be processed through the Grievance Procedure Article, subject to the M CCS's right to have any such grievance considered at the appropriate level or steps by the M CCS's Affirmative Action Officer or Equal Employment Officer. In instances involving discrimination complaints, the adjunct will submit the discrimination complaint to Step 3 of the grievance process prior to engaging in any external review of the complaint. If the grievance is not resolved at Step 3 and if external conciliation, resolution and/or enforcement mechanisms are available under federal or state law based on the nature of the grievance, and the grievant chooses to pursue his or her claim in such a forum, the grievance shall not be arbitrable.

ARTICLE 25: NO STRIKE OR LOCKOUT

The M CCS and the Union agree that disputes which may arise between them shall be settled without resort to strike or lockout and that the requirements of law in this regard will not be violated. The M CCS agrees it will not lockout any of any unit members during the term of this Agreement. The Union agrees on behalf of itself and unit members that there shall be no strikes, slow-downs or interference with the normal operation of the University during the term of this Agreement.

ARTICLE 26: OUTSIDE EMPLOYMENT

Adjuncts may engage in other employment outside of their MCCS working hours, including the teaching of the same or similar classes and curriculum at other institutions. It is understood that such employment should not involve a conflict of interest with the scheduled times or responsibilities of their MCCS employment.

ARTICLE 27: PERSONNEL FILES

Each college shall maintain, for official college purposes, one (1) personnel file for each adjunct faculty member. This file shall be kept under conditions that insure its integrity and safekeeping and shall contain copies of personnel forms, official correspondence to and/or from the unit member, written evaluations and other appropriate materials related to the unit member's employment.

1. An adjunct shall be sent a copy of all material henceforth placed in his/her personnel file at the same time it is placed in the file. Anonymous, subpoenaed or inappropriate material shall not be placed in the file. An adjunct shall have the right to submit a timely written response to any material placed in the personnel file. This timely written response shall then be filed and attached to the appropriate material.
2. Unit members shall have the right to examine their file in the presence of the file's custodian, that individual's designee, or, if those persons are unavailable, an appropriate administrator, during the normal business hours. Upon written request and the payment of the reasonable copying charge, a unit member may obtain copies of any material in the personnel file.
3. Unit members may indicate in writing to the file's custodian those materials which the unit member considers inappropriate to be retained. The materials shall be reviewed by the file's custodian and shall be removed from the file if adequate justification is shown for their removal.
4. In a specific personnel action no use may be made of any material which has not been properly and timely placed in the personnel file with the exception of recommendations by reviewing individuals or bodies which shall be placed in the personnel file as soon as a decision is reached in the specific personnel action.
5. MSEA or a duly designated representative shall have access to a unit member's personnel file provided written authorization has been granted by the unit member to the custodian of the files. MSEA or the duly designated representative shall be subject to the same rules on access and copying that are applicable to the unit member.

6. MSEA agrees to indemnify and hold the Board harmless from and against any liability for any claim of improper, illegal or unauthorized use by MSEA, or duly designated representative, of information contained in the personnel file.

ARTICLE 28: PROFESSIONAL TRAINING AND DEVELOPMENT

When an adjunct is required by a college to attend a meeting/orientation/training, the adjunct will be paid a minimum of \$100 for each semester (Fall and Spring). This is not intended to diminish payments made to adjuncts for meeting attendance benefits currently in effect at any college. It is not intended to limit the ability of any college to require additional training requirements.

Staff Required Training. As a condition of employment and as determined by any College at which the adjunct is employed for the semester, each adjunct faculty member must participate and complete the training and orientation required of other employees at that College. Examples of such training include but are not limited to workplace safety training, sexual harassment and other EEO related training, new hire training and the like.

Adjuncts will be notified in writing of the requirements, schedule and completion date for training applicable to the assignment as part of the offer of a teaching contract. So long as notice has been given, an adjunct who refuses or fails to complete this requirement by the completion date without a good reason, may at the discretion of the academic dean of the College be considered unqualified to be assigned further course until the requirement is met.

MCCS also agrees to provide additional funding to adjunct faculty who provide additional work associated with the development of adjunct courses being transitioned to the *Brightspace* learning system. MCCS will ask approximately 50 adjuncts to assist with the transition to *Brightspace* and will pay each adjunct selected \$200 for this one-time work. **Hiring will begin prior to September 1, 2020.** The final number of adjuncts selected, the course or courses developed, the manner of development and the specific adjunct faculty selected will be at the sole discretion of the college president or designee.

ARTICLE 29: RESPONSIBILITIES OF THE PARTIES

MCCS and MSEA acknowledge the rights and responsibilities of the other party and each agrees to discharge its responsibilities under this Agreement. The MSEA, its officers and representatives at all levels, and all adjuncts are bound to observe the provisions of this Agreement. MCCS and its officers and representatives at all levels are bound to observe the provisions of this Agreement. In addition to the responsibilities that may be provided elsewhere in this Agreement, the following shall be observed:

- a) Exclusive Negotiations. M CCS will not bargain collectively or meet with any adjunct organization other than MSEA with reference to terms and conditions of employment of adjuncts covered by this Agreement. If any such organizations request meetings they will be advised by M CCS to transmit their requests concerning terms and conditions of employment to MSEA.
- b) Adjuncts' Rights. There shall be no interference, intimidation, restraint, coercion or discrimination by either M CCS or MSEA as a result of the exercise by any adjunct within the bargaining unit of his/her statutory rights related to membership in MSEA or any other right granted under the University of Maine Labor Relations Act.
- c) Fair Representation. MSEA acknowledges its statutory responsibility to represent and handle grievances for all adjuncts within the bargaining unit. M CCS shall not be responsible for actions taken or not taken by MSEA with respect to its responsibility to provide fair representation.
- d) Efficient Public Service. M CCS and MSEA acknowledge their mutual responsibility to encourage and foster efficient and economical service in all activities of the M CCS involving adjuncts. The Parties recognize the responsibility of adjuncts to perform the duties assigned them in an efficient and expeditious manner. The Parties further recognize the responsibility of M CCS to promote a working environment and a quality of work life conducive to achievement of these goals.
- e) Settlement of Grievances. The applicable procedures of this Agreement shall be followed for the settlement of all grievances. All grievances shall be considered carefully and processed promptly.

ARTICLE 30: RULES AND REGULATIONS

In the event a specific conflict between the provisions of this Agreement and the rules or regulations as they now exist or may be from time to time amended, the provisions of this Agreement shall apply unless the rule, regulation or amendment is made to comply with law.

ARTICLE 31: SENIORITY AND ASSIGNMENT OF COURSES

- 1. Availability.
 - a. The Maine Community College System will email a notification to all adjuncts that they should indicate course availability for the upcoming semester(s). This email will include a link to the availability form and the course schedule, if available.
 - b. Adjuncts who wish to be considered for teaching assignments for the next semester must accurately and specifically complete an availability form indicating how many and which courses the adjunct is willing to teach during the semester and the times and days of the week that they are available.

- c. Completed availability forms must be received by the academic dean of the college by October 1 for the next spring semester; by February 1 for the next summer session; and by February 1 for the next fall semester. An adjunct may fill out an availability form for more than one college.
 - d. Availability information may be updated or modified after the submission dates, but the college need not re-consider or revise an offer of or decision on teaching assignment that was made based on the information initially provided.
 2. Preference Criteria. An adjunct who has satisfactorily taught at least five courses at a particular college over three consecutive academic years (consisting of fall and spring and/or summer semesters) at any time beginning five academic year prior to the Fall semester shall be eligible for preference for course assignment at that college as provided in Paragraph 3 below.
 3. Course Assignment Preference. Course assignments are made on a semester basis and limited in duration to the particular semester for which the adjunct is appointed. An adjunct who has timely indicated appropriate availability under Paragraph 1; meets the preference criteria under Paragraph 2; and has within the past three academic years satisfactorily taught the same course at the same college where that course is being offered for the next semester will be offered the assignment to teach that course in the next semester before the assignment is offered to an adjunct who does not have preference, is less qualified, and/or is less senior. Nothing in this term shall restrict an adjunct from requesting courses in addition to the courses in which they have assignment preference.
 4. Qualified.
 - a. The determination of "qualified", "equally qualified" or "more qualified" for a course assignment will reasonably be made by the academic dean of the college where the course is being offered. If more than one adjunct meets the availability and preference criteria for assignment of a course under Pars. 1 and 2, the course will be offered to the more qualified adjunct.
 5. Seniority. Seniority shall be calculated based on the number of academic years in which an adjunct has taught at least one course in any college within MCCS beginning in 2006 (commencing with the fall semester) Seniority may be maintained or terminated as follows. An adjunct will maintain his or her seniority for three years if there is no work available for him/ her in any semester during that period, after which seniority will terminate. Seniority will terminate for an adjunct who is not available for appointment for more than two consecutive academic years (fall and spring and/or summer semesters), unless this period is extended at the discretion of MCCS at the request of the adjunct. Seniority will terminate if an adjunct is removed from teaching

for just cause. The seniority list of unit members will be published online annually by October 31.

6. Seniority as Factor. In selecting between two or more adjuncts who meet the availability and preference criteria for assignment of a course under Pars. 1 and 2 and who are equally qualified to teach a particular course, the adjunct with the most seniority will be offered the assignment.
7. Additional Assignments. A college may offer additional assignments to any unit member so long as the offer of assignment is not inconsistent with any provisions of this Article.
8. Unanticipated Needs. The parties recognize that there is sometimes a need to offer one or more additional courses that arises close to or at the beginning of a semester and has not been anticipated in the published course listing for that semester. A college will make a good faith effort to assign a course or courses that have arisen in these circumstances consistent with this Article, there is a qualified individual(s) available.
9. Individual Contracts. Teaching assignments will continue to be memorialized in individual contracts between MCCS and the adjunct. In the event of a conflict between this Agreement and the individual contract, the terms of this Agreement will apply. MCCS agrees all Adjunct Faculty Members will receive these contracts/assignments no later than seven (7) calendar days before the start of the classes they will be teaching.
10. Decisions not to Assign. A decision not to assign a particular course or courses to a particular adjunct is not grievable unless the decision is in violation of the operation of the course assignment preference or the application of seniority as provided under this Article.
11. Practices and Procedures. The colleges or their individual departments may continue applicable assignment practices, including but not limited to any established policy on maximum number of courses assigned to an adjunct in a semester, or may develop new procedures as long as new procedures are consistent with the provisions of this Article.
12. Course Cancellation.
 - a. If a course that was assigned to and accepted by a unit member is cancelled or reassigned before the course meets, the college will make a good faith effort to find a replacement course for the unit member.
 - b. Adjuncts will be paid 10% of the compensation due for any course that they are assigned, but which is either cancelled or reassigned seven days before the

first day of classes. This provision will not apply to certain classes that normally begin later than the start of the normal academic semester.

13. Not Applicable. Courses that are offered for credit through a contract with an entity outside the System shall not be subject to this Article. Non-credit courses shall not be subject to this Article. This Article does not apply to a unit member teaching an independent study.
14. Determination of work. Nothing in this Article limits the right of MCCS to determine in its discretion which courses will be offered to adjuncts in any given semester at any college or other location and to change that determination at any time. It is recognized that the number, nature, scheduling and availability of courses to be offered to adjuncts fluctuates from semester to semester depending on factors that include but are not limited to student demand and need, business climate, available funding, budgetary considerations and exercise of overload rights by full-time faculty.
15. Expedited Dispute Resolution Process. In the event an adjunct files a grievance claiming a violation of the Article 31, the System agrees that the adjunct and union representative shall within 15 days of the filing of the grievance meet with the Academic Dean and President of the applicable college, during which meeting the adjunct will have the opportunity to present the grievance. If the grievance is not resolved during this meeting, MSEA shall have the right to move the grievance to Step 3 of the grievance procedure.

ARTICLE 32: SEVERABILITY

In the event that any Article, section or portion of this Agreement is found to be invalid or unenforceable by final decision of a tribunal of competent jurisdiction, or shall have the effect of a loss to the Trustees of funds or property or services made available through federal or state law, then such specific Article, section or portion specified in such decision or which is in such conflict or having such effect, shall be of no force and effect. Upon the issuance of such decision, if either Party requests, the Parties shall negotiate a substitute for such specific Article, section or portion thereof, provided that the remainder of this Agreement shall continue in full force and effect. The Parties agree to use their best efforts to contest any such loss of federal funds, which may be threatened.

ARTICLE 33: TERM OF THE AGREEMENT

The Agreement shall be effective upon ratification, shall apply to adjunct faculty who are employed on or after the ratification date and shall remain in effect through December 31, 2024.

ARTICLE 34: UNION SECURITY

A. Membership and Service Fee

Any adjunct who is covered by this Agreement and is not already a member of MSEA-SEIU may choose from the options of (1) membership in MSEA-SEIU; (2) payment to MSEA-SEIU of a service fee equal to the pro-rata share of the costs to MSEA-SEIU that are germane to collective bargaining and contract administration as defined by law; or (3) neither option.

B. Deduction

MCCS will deduct membership dues or service fee from the pay of any adjunct who chooses the option of membership or service fee by signing a written payroll deduction authorization form authorizing deduction from their pay of the membership dues or the service fee.

C. Calculation of Service Fee

MSEA-SEIU shall calculate the amount of the service fee to be charged to non-members who elect the service fee, consistent with both applicable law and this Article, and shall certify to the MCCS the amount of the service fee. The service fee set for part-time adjuncts shall bear the same ratio to part-time dues as the fee paid by "full time adjuncts" bears to the dues amount paid by "full time adjuncts." The term "full time adjuncts" is used for the purposes of this Article only and specifically for MSEA-SEIU's calculation and administration of dues and service fees.

D. Notice

MSEA is solely responsible for the calculation of the service fee and for providing legal and adequate notice of the service fee amount to adjuncts covered by the Agreement who are subject to the service fee requirement.

ARTICLE 35: BULLETIN BOARDS

MCCS shall provide bulletin board space for the use of MSEA-SEIU at adjunct workspaces at each work location for the purpose of posting bulletins, notices and other materials in conformance with this Article. The posting of any MSEA-SEIU materials shall be restricted to such bulletin board space only except that, in each work location where bulletin board space is not provided for MSEA-SEIU, MCCS shall designate an appropriate alternative space where such materials may be posted.

In no instance may MSEA-SEIU post any material which is profane, obscene or defamatory to M CCS, its representatives or any individual, or which constitutes campaign material between competing employee organizations if it is determined that the posting of such material would violate any obligation of M CCS for neutrality. MSEA-SEIU is solely responsible for the accuracy and ethical standards of any material posted pursuant to this Article. M CCS retains the right to remove any materials in violation of this Article. All posted MSEA-SEIU materials shall be signed by an authorized representative of the Association or stamped with an official MSEA-SEIU logo.

ARTICLE 36. SYSTEM-WIDE COMMITTEES

Regular meetings of System-wide labor-management committee.

In order to encourage greater collaboration between the adjunct faculty association and the System administration and in order to give the adjunct faculty greater involvement in certain issues affecting the system, the labor-management committee would meet to discuss the following items:

1. Greater involvement by adjunct faculty in student success efforts.
2. Adjunct faculty compensation.
3. Adjunct faculty workload.
4. Issues related to seniority and assignment of courses.
5. Development and utilization of professional development for adjunct faculty.
6. Health and safety issues.

This committee would be comprised of up to four adjunct faculty association representatives as selected by the union and would meet twice per semester and, if agreed by the entire committee, once during the summer. If agreed by the committee, efforts would be made to hold meetings at different colleges so the committee could visit numerous colleges within the System. The first meeting of this committee shall be no later than May 1, 2020.

ARTICLE 37. ADJUNCT FACULTY-MANAGEMENT COMMITTEE

There shall be established an Adjunct Faculty – Management Committee for the purpose of identifying, discussing and, if appropriate, developing recommendations on issues of mutual concern. The Committee will strive to use an interest-based approach in dealing with issues under discussion. If a majority of the Committee membership determines that it is appropriate, the Committee may issue written reports or recommendations to the President of the System on specific issues.

The Committee will consist of seven representatives of M CCS administration, one from each college, who are appointed by the President, and seven representatives of the adjunct faculty unit. A representative from Human Resources may attend and participate if it would assist the Committee. The Committee will strive to meet a minimum of two times during each fall and spring semester and may schedule meetings in advance or meet within a reasonable time of a request to meet by either party. Meetings may be conducted in person or virtually. If the consensus of the Committee is that a meeting will be held in person, Committee members will be reimbursed for necessary travel at the mileage rate then in effect at M CCS. Committee members will not lose pay for participation in Committee activities during work time.
