SUBJECT:  INFORMATION SECURITY

PURPOSE: To create uniform standards and procedures for the protection of MCCS information and data

MCCS collects, creates and distributes information and data as allowed by law and MCCS policy, and as required for MCCS business purposes. It is the policy of MCCS to maintain the security of its information and data and comply with applicable state and federal laws and regulations, including the Gramm-Leach-Bliley Act. In furtherance of its compliance obligations, MCCS shall implement and maintain an internal information security technology infrastructure with identified data protection standards and procedures to safeguard the integrity, confidentiality and availability of information stored or processed by MCCS.

This policy applies to all members of the MCCS community who have access to MCCS information, including without limitation, faculty, staff, students, contractors, and consultants.
